

1/8/2015

Dear Parents /Guardians:

“In his heart a man plans his course, but the Lord determines his steps.” Proverbs 16:9 I hope and pray you have begun a New Year with new plans and exciting goals to pursue. As our New Year begins with high hopes and expectations let us all remember to include our Lord in those plans. We did not endure a long journey to find the Christ child as the Wise Men did. Rather, He came to us fulfilling a promise and promising to fulfill our every need. Let us all allow our lives to reflect those promises in this New Year as we serve others in His name. His birth, His life, His death and resurrection our fulfilled promise of hope and joy in this life and the next. Live triumphantly in that joy and give others the opportunity to experience that joy in your life.

The perfect segue to . . . please find enclosed the semester breakdown of grades for your child. A reminder that each semester mark is weighted at 40% and the semester final is weighted at 20%. If there is no final for the course, each semester is weighted equally. We begin our second chapter at LHS of Winterim sessions this January. As you should know by now, Winterim is a three week term where students take only one course. Classes meet from 8 a.m. to 2 p.m. each day. These elective courses have been designed to emphasize the experiential side of learning. Teachers and students alike again are excited about this unique educational opportunity. We are always interested in the feedback we receive.

Since second semester has begun, can parent/teacher conferences be far behind? On Monday, February 23rd from 3-7 p.m. we will conduct parent/teacher conferences for third quarter. We will have an early release that day to help accommodate our conferences. Please consider this an important opportunity to meet with and assist teachers with better serving your child. We value your input.

You will also find enclosed an enrollment form for next year. Please take the time to complete these forms as we are already busily preparing for the next school year. There have been some changes in the procedures, so information concerning that is also included. Please contact Alice Hinrichs in our office if you have any questions. We continue to attempt to improve our product by offering more classes and opportunities that fit the needs of our student body. God’s richest blessings to you and yours in this New Year.

In His Service,

Dr. Cary Stelmachowicz
Executive Director/Principal
