

Dear Parents/Guardians,

I hope and pray this letter finds you enjoying the early part of summer. The rains have finally subsided and perhaps we can now begin to enjoy another beautiful Kansas City summer. What a fantastic year for LHSKC! God just continues to bless us in so many ways. I see where our students are busily engaged in summer sport activities as the never ending cycle of high school continues at LHS. We continue to work on the schedule for next year and soon returning students will be receiving a schedule of next year's classes. We are excited about the new instructors and new classes being offered at LHS this coming school year. The Winterim portion of our schedule will once again create more and unique learning opportunities for our students. Please find enclosed the last report card for the 2014-2015 school year. If you have any questions regarding grades, please feel free to call Paula Meier or me. We will try and accommodate you in every way possible.

Dual credit courses offered for the 2015-2016 school year:

University of Central Missouri

Pre-Calculus—Two semesters—total of 5 credits College Algebra 3 Trigonometry 2
Calculus—Two semester—total of 5 credits Calculus I (enrolled in Spring)

Concordia University Nebraska

Expository Writing—One semester—total of 3 credits—English 101
World Literature—One semester—total of 3 credits—English 201
Economics—One semester—Total of 3 credits

We also will be offering a large variety of university online credits from **Grand Canyon University**. We have entered into a consortium with **GCU** that allows a discount for our students both for online courses and for future enrollment at this university. GCU is a thriving Christian university in Phoenix, AZ. The president, Brian Mueller, is a former Denver Lutheran grad and Concordia Nebraska grad as well. GCU is a university well worth considering for any LHSKC graduate.

If you are looking for some tuition help, consider hosting a foreign student for a semester or the entire year. This can be a rewarding experience for all involved. Contact Paula Meier for more information.

Just a reminder to patronize the restaurant *Bravo!* at Town Center. Jack Fennesy has graciously donated our Affair of the Heart auction dinner for the past three years. When you stop in and enjoy a great meal thank Jack for his wonderful generosity.

Always remember, God is good . . . Blessings on your summer.

1st Thessalonians 5:11 "Encourage one another and build each other up . . ."

In His Service,

Dr. Cary Stelmachowicz

Executive Director/Principal

The Lutheran High School of Kansas City
