

Year 35 at The Lutheran High School of Kansas City is off and running. I am thrilled to report our enrollment figure for the 2014-15 school year opened at 134. This is our highest enrollment in school history. We are excited about our continual growth and to embrace our new students and our new faculty. God has blessed us with some outstanding teaching talent and this will continue to improve our school. We plan to challenge our students' minds, increase our students' social awareness, and continue to fortify our students' souls. These are lofty goals and goals we plan to reach throughout this school year. Our school theme is **Isaiah 40:31 "Those who hope in the Lord will renew their strength.....they will soar on wings like eagles..."** We are looking to continue to soar as a school, faculty, and student body.

Another goal for this 2014-15 school year is to increase the visibility of LHSKC in the Lutheran community and the local community as well. I ask for your assistance in this endeavor to bring more of the Gospel to a greater number of people. The larger and better our school becomes is a testimony of faith in a God who desires that we keep faith with and in our youth. Come and join us here at LHSKC as we **prepare lives for today, tomorrow and eternity** for the 35<sup>th</sup> year in a row. God Bless.
