Toas-Tite Sandwich Maker

The Toas-Tite can make a grilled cheese sandwich that has no crusts. It can make a breakfast omelette sandwich that won't fall apart. It can make almost anything into a toasty, melt-y, delicious handheld treat. The Toas-Tite was a household staple in the 1940s and '50s, making hot, grilled sandwiches fun for kids and easy to make for parents. Now the Toas-Tite is available again to make portable pie-shaped grilled sandwiches for a new generation of children and adults alike. Constructed, as it always was, from die-cast aluminum with hardwood handles, the Toas-Tite works great on gas or electric burners, on outdoor grills, or even over an open fire or fire pit, making it a camping essential for easy-to-eat fare, no utensils needed! It comes whimsically packaged in a replica of the original retro box, as well as recipes and instructions circa 1949. It's simply perfect for the nostalgic cook in your family.

Lutherans for Life of Kansas City

Plueger Purist Rod/Reel Combo

To create a reel that was strong yet light weight and smooth, the Plueger engineers developed the Hybrid Body System. The Hybrid Body System incorporates aluminum in critical strength areas like the stem to maximize strength. Graphite is used in less stressed areas to cutout unnecessary weight. Paired with an extremely responsive and sensitive IM-8 rod for an unbeatable combination.
